

ABOUT A & P

A & P Intertrust Corporation is a leader in online incorporation/formation services and a developer of cost- and time-effective business solutions. We deliver the highest quality services to over 4,000 clients located in more than 50 countries.

A & P Intertrust Corporation is a Canadian federal corporation incorporated in 2002 and based in Richmond Hill, Ontario, Canada.

Our company supports and complies with highest business standards as a participant of the Better Business Bureau Online Reliability Program.

A & P Intertrust Corporation is a member of the Better Business Bureau of Mid Western Ontario, Canada, an authorized NUANS Search House with Industry Canada, and a member of the Canadian Federation of Independent Business.

We provide incorporation/formation of corporations and limited liability companies in BVI and Panama and other jurisdictions. We also take care about all incorporated/formed companies offering organizational, maintenance, administration and accounting services. All services are provided in cooperation with qualified legal and accounting professionals licensed in those jurisdictions.

Unlike of many other offshore service providers, A & P Intertrust Corporation is not a reseller of offshore legal entities. Our company has own legal representatives in the most popular offshore jurisdictions BVI, Nevis, and Panama. As a result, our clients could get all required services in one place and save valuable time for their businesses. The clients should not worry about missing deadlines for filing of required government returns and payments of government fees. We take care about all those issues and much more.

A & P is in charge of serving Shirley & Associates' clients in Canada. They are always ready to offer our company's services and meet them; give requires consultations and other services. A & P also assists our company in conducting due diligence on our Canadian clients, verification of their residential addresses, credit card information and others.
